

Call for 2020-2023 IFAC Fellow Nominations

IFAC is seeking nominations for 2020-2023 IFAC Fellows. The IFAC Fellow award provides a distinction of excellence in the Federation and is conferred on a small number of outstanding scientists or engineers by the IFAC Council, based on the proposal of the Fellow Selection Committee. With the appointment as an IFAC Fellow, IFAC honors outstanding contributions with a high impact in the fields of interest of IFAC in the role as a Scientist, Engineer, Technical Leader or Educator. These contributions may be technical publications, patents, control solutions, products, software, and leadership in research, development and education.

Any control scientist or engineer (with the exceptions listed below) can be a candidate for the title of an IFAC Fellow. Past involvement in IFAC activities, publications and events is desirable and an asset but not absolutely mandatory. For a list of IFAC Fellows elected so far, please go to the IFAC website at:

<https://www.ifac-control.org/awards/ifac-fellows>

Current members of the IFAC Council, Fellow Search Committee or the Fellow Selection Committee are not eligible to be considered as Fellow Candidates.

IFAC Fellow candidates must be proposed by a separate nominator.

Nominators

Any person is eligible to serve as a nominator with the exception of members of the IFAC Council, Fellow Search Committee or Fellow Selection Committee. The nominator is responsible for the information provided about the candidate. The nominator is asked to read the **Nominator Information**, complete the **Nomination Form** according to the requirements given below, and inform the persons indicated as referees that they have been named as such.

If you plan to submit an IFAC Fellow Nomination Form, please find instructions below to assist you in this nomination process. Strict adherence to this procedure is essential; otherwise, a candidate may be placed at a serious disadvantage and possibly excluded from consideration this triennium.

Fellow Nominations should be uploaded electronically at

References

Each nomination must be supported by at least three, but no more than five references from internationally reputed experts in the field who are aware of the candidate's contributions. These referees need not be IFAC Fellows themselves. Note that the choice of referees is important for the success of the candidate's nomination. Members of the IFAC Council, Fellow Search Committee or the Fellow Selection Committee are not eligible to serve as referees. If you have been asked to act as a referee, please read the **Reference Information** and complete the **Reference Form**.

Fellow References should be uploaded electronically at

Fellow Announcement

The announcement of the newly elected Fellows will be made shortly after the completion of the vote taken by the IFAC Council in July 2022. IFAC will inform all successful candidates and their nominators of the election results by e-mail. Nominators of unsuccessful candidates will be notified by e-mail. The new elected IFAC Fellows will be honored in a ceremony at the 2023 IFAC World Congress (scheduled to take place in Yokohama, Japan from 9-14 July 2023).
